The Show Must Go On!

"All the world's a stage,
And all the men and women merely players."
SHAKESPEARE

The Class of 1949 is about to end its high school drama, and we sincerely congratulate each one of you. To many of you it has been an interesting, inspiring, and valuable dramatic experience. As the curtain falls on this particular act and the call comes for new acts and new scenes in life's great extravaganza, remember, "The show must go on."

How well have you planned for the next act? How well are you prepared for your part when you suddenly find yourself on a stage with new settings and new faces, and with an audience perhaps a little less sympathetic and a little more exacting? Will you have the character, the determination, the courage, and the stamina to play your part to a successful conclusion?

We who have had the great privilege of helping to shape your lives during your school experiences trust and pray that you are ready for the challenges ahead. We hope that high ideals may dominate your actions and that success may be yours—that you may indeed be "stars".

"The show must go on!"

J. FRANK FAUST,
Superintendent of Schools.

Thinking and Growing

It has been said that the world is made up of opposites—night and day, high and low, wet and dry, tall and short, fast and slow, love and hate, calm and storm, war and peace, boys and girls, etc. The list of opposites is almost without end. Whether it is fact or fiction that the world is made of opposites, it is certainly true that at least two things belong together in life—thinking and growing.

As a young person you are growing up fast. Only if you think as you grow can you solve the problems that come with growth. Perhaps you say, "Of course, I think. Everybody does." Jane Taylor in *Essays in Rhyme* exclaims, "How many never think who think they do!" To think means to reflect, to ponder seriously, to meditate quietly, to contemplate at length. A "harum-scarum" idea that flashes into the mind is not a thought; it is merely the result of some outside influence.

No one can do your thinking for you. Your teachers, your parents, and your friends can give you ideas and aids, but you alone can do the real work. Thoughts come from within yourself. You must take the ideas of others, add them to your own, and think them through so that you can produce an opinion that is as much a part of you as your own heart beat. Do this and you are truly thinking.

RALPH I. SHOCKEY,
Principal of High School.

of

MRS. HELEN McNAIR

Class Song

Words by NANCY MCCORMICK Music by RICHARD ANGLE

We are the knights of nineteen forty-nine
With our armor of Gold and Blue;
With our shields upraised,
We'll strive to win our praise,
And to C. H. S. be true—
Forward and upward, Class of '49,
To great heights we'll soar in time.
Faith and courage be our guiding light,
We endeavor to do the right.

Chorus:

March on, Class of '49,
Keep goin' till the end of time,
By our colors Blue and Gold
Our true character is told.
As we carry our bright shields before our school,
We'll try to win our fame
And strive for our every gain,
As we go through all the world,
With our banners unfurled,
We'll be true to '49, the Blue and Gold.

In Memoriam

In memory of one of our former classmates and friends, Sally Ann Kadle, who was killed in an automobile accident August 2, 1947.

CLASS HISTORY

On September 4, 1945, we, three hundred and seventy-six freshmen, secured tickets for a four-year journey through the Chambersburg High School. In November we became full-fledged members of the *Chambersburg High School Express* by celebrating the Freshman Hallowe'en Party. Miss Martha Campbell and Mr. Thomas Drummond were chosen class advisers. We also elected six members of the Class of '49 to lead and advise our fellow passengers on the coach. They were Robert Kessinger, president; Frank Stred, vice-president; Gladys Hicks, secretary; Marie Kanyuck and Robert Shull, treasurers; and Jean Witmer, historian. In April we saw our first Color Day pageant.

In the fall of 1946 we became sophomores and were ushered to the second coach. We celebrated this occasion by attending the Hallowe'en Party for upperclassmen. At this event we staged a skit entitled "Kilroy and Elmer Cross the Equator." Again we elected Robert Kessinger president; Robert Shull was made vice-president; Gladys Hicks, secretary; Nancy Stoner and Jay Upperman, treasurers; and Jean Witmer, historian. In preparation for Color Day, we composed a class song and cheer, chose a motto and theme, and designed a pennant. After presenting a delightful play for the occasion entitled "Sleeping Beauty," the Class of 1949 proudly received its colors. We chose Bette Kramer and Joan Killian to represent us in the Color Day Court.

Soon we were juniors and subsequently transferred to the third coach of the train. Our leaders for the year were Robert Kessinger, president; Richard Brown, vice-president; Gladys Hicks, secretary; Nancy Stoner and Richard Angle, treasurers; and Jean Witmer, historian. One of our main social events of the year was a circus. We again celebrated an enjoyable Color Day. Jacqueline Malone and Nancy Yourkavitch were our class representatives in the Queen's Court and Bette Kramer served as Maid of Honor. The Junior Class presented the *Chambersburg High School Express* with a show case to be used for various types of displays. The Junior-Senior Reception was the climax of our third year, and everyone had an enjoyable evening in the *Club* '49.

In September, 1948, we were given the choice seats of the *Express,* since we were seniors. Once again we elected officers. Robert Kessinger was made president; Richard Brown, vice-president; Gladys Hicks, secretary; Elizabeth Young and Richard Angle, treasurers; and Jean Witmer, historian. The '49ers are very proud of the excellent records made by many members of the Class in both scholastic and extra-curricular activities. We are still busy raising money for our trip to Washington and are eagerly looking forward to a delightful Commencement program.

JEAN WITMER,
Class Historian.

Class Song

Words by WILLIAM BARKLOW Music by WILLIAM TRAXLER
RONALD MCCLEARY

We, the class of 1950,
Ceasing never, always thrifty,
Will forward, onward fight
For our colors, the Red and White.

When we leave dear C. H. S.,
May we always do our best,
Strive to do what is the right,
Always faithful to Red and White!

Chorus:

1950! 1950! 1950! So
Hitch your wagon to a star,
Whether it be near or far.
If in life this is your aim,
Later it may bring you fame.

Luck + success
to a very nice little
guy. Remember 10 a.
Always,
Peggy '50

winning of a championship. Absolute proof of the type of football played by the C. H. S. eleven is evidenced by the fact that when game time rolled around, the stadium was overflowing with fans who came to see the razzle-dazzle of the blue and white team; it is certain that they never left the stadium without seeing an excellent performance on the gridiron. The conference champs won 7, tied 1, and lost 2 games.

The aim of this organization is to train the individual in ensemble singing. All music is chosen with careful consideration for the development and appreciation of the finest in musical art. Both classical and modern compositions are studied with complete thoroughness as to interpretation, expression, phrasing, and enunciation. The club membership is limited to eighty voices selected from the upper classes. Rehearsals are held during activities period on Tuesday and Thursday. In addition to presenting a Christmas concert and a spring concert, this organization appears in many community-sponsored programs throughout the school year.

From the Glee Club is chosen a *Special Chorus* of twenty-four select voices. This organization provides musical entertainment for school assemblies, service clubs, churches, and radio broadcasts.

The *Freshman Chorus* is a group of freshman boys and girls interested in furthering their knowledge of vocal music and in attaining efficiency in part singing. The chorus presents one major activity during the year. Members who do outstanding work may audition for the Glee Club.

The PARROT is a weekly publication of the Chambersburg High School published by the students, for the students, under the guidance of a faculty adviser. The members of the PARROT Staff are chosen on the basis of their ability to think and write. The 1948-1949 staff has won commendation for the quality of the papers it has put out. The best reward for serving on the staff is the valuable experience in journalism gained thereby.

The PARROT creates its own funds and pays its own expenses and is, therefore, to a great extent self-supporting. The paper is a member of the Pennsylvania Scholastic Press Association, the National Scholastic Press Association, and the Columbia Scholastic Press Association.
